

This past Sunday we were visited by Travis Hurley from Ozark Christian College. Our church has supported the college for approximately 12 years. The college was established in 1942 making it 75 years old. While they celebrate that great milestone, they also want to look to the future for the next 75 years. There is still great need for kingdom leaders who will dedicate their lives to share gospel with the world.

Today Ozark Christian College is one of the largest undergraduate Bible colleges in the country. Ozark offers 10 degrees with 22 possible majors. Over 90% of the graduates represent some kind of ministry serving in all 50 states and over 100 nations.

Ozark now wants to plan for the next 75 years by expanding the Chapel and the Idleman Ministry Center. The college also wants students to graduate with little debt as possible and is planning an endowed scholarship fund.

Ozark is debt free, however, they will need help from alumni or anyone for their expansion. Your partnership in this campaign will provide the resources needed to keep sending workers into the harvest field. The college also is providing an investment opportunity. If you are interested in helping support or invest, please give Travis Hurley a call at 417-626-1217.

Pastor Curt and Dreama both graduated from Ozark Christian College and can help us at CCC learn more about the college. We need more workers on the mission field.

YOUTH AND FAMILY MINISTRY

Thank you so much for your love and support shown for Pastor Appreciation month! I can speak for all three of us to say it is such a joy to be a part of such a great family of believers. You all are such a blessing to Curt, Steve and me, as well as our families and it is a privilege to serve Christ alongside of you!

March is a very exciting month this year, mostly because we get to celebrate the day that Jesus won the victory for us and redeemed us from what we could not have done ourselves! This year we will be offering our second annual "Easter Egg Hunt" on Easter Morning March 27th. This Easter Egg Hunt will be for Nursery-5th grade students and will be offered directly after our Sunday Morning Easter Service. Throughout the month in our Pre-k ministry we will be talking about "Following Jesus" and helping our little ones understand that they can follow Jesus. In the K-5th grade ministry we are going to be talking about "hope". We are excited to show kids through the Easter story that something good can come from something bad.

The Student Ministry is having a ball this season! Our trip up to Johnson University Florida for our football and worship conference went very well. Our kids learned a lot about overcoming their mistakes and counting on Jesus to hold them together in times of turbulence. Last year in the football tournament our team went 0-4 and lost every game by a wide stretch, this year they went 4-1 and only lost the last game after playing the first four back to back! It really was a lot of fun! This upcoming month we will be covering two different series in youth group from 4-6pm. One will be covering the importance of the words kids are using and the other will cover the Easter story! If your kid isn't at youth group we would encourage you to make that happen. They have an opportunity to learn from some volunteers in our church that have a lot of wisdom, in small group settings. We will also be having a "Nothing Night" where kids are responsible for planning what we do! These events actually turn into a lot of fun stuff, don't let your kid miss it March 19th from 6pm-1am!

As always please let us know there is something we can be doing or praying about for your family! We love the opportunity we get to work with each of you!

~ Tim

The CCC Memorial Scholarship committee is very thankful for all of the workers, headed by Ruth Fabiano who worked tirelessly for 3 days preparing for the CCC garage sale. The fellowship that occurs when we are working as a team in the name of Jesus is priceless. Thank you to all those who contributed the items to sell. Our men who are part of the "hot dog brigade" have gained a reputation, with people telling us that they come for the hot dogs, and shop only because they are at the church.

Heartfelt gratitude from the CCC Memorial Scholarship Committee

Notes & Announcements

Music Notes

I am so very proud of our Celebration Choir. The singers have been working very hard each week at our practices as we prepare to sing once a month during our services and also getting ready for our Easter presentation of music called "Still the King". The choir will be singing a special at our Saturday worship gathering on March 19th at 5pm.

The choirs Easter Concert will be on **Thursday, March 24th at 6pm**. We are combining our concert with the Maundy Thursday Communion Service we have each year before Easter. This will be something a little different this year that we are so excited to be able to offer here at Capri. A night of inspirational worship led by the choir followed with a very moving video that will prepare us for the communion. The service will last around 45 minutes. Make plans to join us that night and bring your family and friends.

Easter Sunday is March 27th. Something new this year at Easter that is exciting to us will be our featured musical guests – Zack Shelton & 64 to Grayson. We have had them in the last three years in November for our Family Fall Festival. You will really enjoy their talent and heart for the Lord. Let's get busy now inviting our friends and neighbors to Easter Sunday on March 27th.
