

Curt Ayers
Senior Pastor

Dear Church Family:

November is almost here and that means we will be thinking about thanksgiving. I am sure you have many warm thanksgiving memories you have made with family and good friends. The holidays are certainly filled with sweet memories of days gone by.

I hope your thanksgiving holiday will be full of the recognition of all the blessings God has given us. Living in America and being a part of Christ's Church make us some of the most blessed people on the earth.

Make it your habit to thank The Lord and praise Him for what you have. Psalm 105:1 "Give thanks to the LORD. Call on his name. Make known among the nations what he has done"

Thank you Lord for America, for all families, for our church and for the great salvation we have in Christ.

Love, Pt. Curt Ayers.

Steven Dawes
Associate Pastor

Tabitha and I were able to enjoy some much needed time away for vacation a couple of weeks ago. We went on a cruise with my folks to the Southern Caribbean (Grand Turk, San Juan, St. Kitts, & St. Marteen) out of Miami.

These were some of the most beautiful places I have been. The water was a beautiful blue color along with the décor of houses, buildings, & churches. In San Juan we walked through Fort San Cristobal and see a lot of historical items. But, as beautiful as these place are, I have to admit that it doesn't compare to driving through the Everglades and making that last turn at the intersection of 951 & 41 and then turning in to Veronawalk where our home is.

God has allowed us all to see some of His most beautiful creation in this world. But one day we'll make that final turn at the corner and will enter our eternal home. It's a place where nothing in this world can even come close to comparing. I don't know about you but "I feel like traveling on" as the hymn writer said.

Pt. Steven Dawes.

- * It is a blessing to work with each student and child involved in our ministry and we adore each of them!!

The purpose of this ministry is to create and maintain a high caliber experience in the areas of corporate worship and celebration. This is accomplished thru the incredible work of our Music Ministry and our First Impressions Greeting Ministry.

The Bible tells us in the first two verses of Psalm 100 to "Shout for joy to the Lord, all the earth. Worship the Lord with gladness; come before Him with joyful songs." One of the greatest ways to worship the Lord is in song. We can find many songs to the Lord in the Bible as well as guidelines, reasons and examples of worship. As we praise and worship we must always remember who is at the heart of our worship. Even when there is no music, we praise and worship our awesome heavenly Father and His Son, Jesus.

Here at Capri Christian church we are so blessed to have Pastor Steve leading our Music Ministry with congregational music, choirs, special music, and instrumental accompaniments. Assisting him each week are several talented members of our congregation who run the sound systems during worship services and record the sermons each week which are available live and then archived for later viewing on our church website(caprichristianchurch.org) and our Facebook page.

The other important area of Worship is our First Impressions Greeting Ministry. 1st Peter 5:14 tells us to "Greet one another with the kiss of love. Peace to all of you who are in Christ". Our greeters are a group of energetic individuals who greet you at the door each Sunday, with a warm welcome, a sincere handshake and a genuine love for you. First impressions are very important – a person can conclude a lot about our church in these first few minutes and often determine whether they will return to our church. At a deeper level, this greeting ministry is a ministry for Christ and encompasses the believers revealing Christ's love to others, in order to draw others to God's salvation and to the church. If you would like to be a part of this very important ministry, please stop by the sign up desk in the Fellowship Hall.

In Christ's Love, John Cowden
