

LESSON 6 – Acts 22:16

“Why Do You Delay?”

1. When Ananias addressed Saul in Acts 22:16, was Saul already saved or was he still an unsaved sinner? Why is it important to answer this question?
2. Why is baptism a preceding condition for the forgiveness of sins?
3. Several New Testament passages discuss the concept of “washing” (I Corinthians 6:11; Hebrews 10:22; Ephesians 5:26; Titus 3:5). How does this passage in Acts 22:16 clarify those other passages?
4. Saul was instructed to “call upon the name of the Lord.” Discuss how this relates to baptism. How would this have applied to Saul in the context of the Acts 22 passage? How does it apply to us today?
5. What does Acts 22:16 say to Christians today about the importance of baptism?
