

Lesson 2: You Are Not Accident

1. You are alive because God wanted to create you! Read Psalm 138:8; Psalm 139:15, 16. How complicated is the human body? Could humans be an accident?

2. Read Acts 17:26. If God planned every detail of your body, your birth and the place you would live what does that say about God's concern for you?

3. God never does anything accidentally and he never makes mistakes. God planned for you to live on this earth at this moment. (Eph. 1:4; Jas. 1:18) Have you ever thought of yourself as a mistake or a worthless piece of junk? God does not think that way about you!

4. What do you think of the premise that God made you to express His love? (I Jn. 4:8; Isa. 46:3-4).

5. Is God the center, or reference point of your life? If not, why not?
