**Lesson 3 – The Equality of Jews and Gentiles in God's Plan**  
**Book of Romans 3**

- 1) What advantage was there in being a Jew? (v2)
  
- 2) If all men were liars, would that make God untrue? (v4). Explain
  
- 3) For each of the following verses in Romans 3, list the Old Testament b/c/v that teaches the concept. Then explain the meaning: what kind of sin do the verses describe?  
  
3:10-12 –  
  
3:13,14 –  
  
3:15-18 –
  
- 4) What comes through law? (v20)
  
  
- 5) What came apart from law? (v21)
  
  
- 6) Didn't people under the law offer sacrifices? So, why did the law not justify them (Hebrews 10:1-4)? What would it take to be justified under that law?

- 7) How does 3:23 summarize Paul's main point in chapters 1-3?
- 8) Use cross-references and concordance to make a list of verses (like 3:20,27,28) that say we are not justified (saved, etc.) by works (deeds).
- 9) List verses that say we do need to do works (deeds) to be saved (justified, etc.)
- 10) Explain ways the passages from questions #8, 9 can be harmonized. Why do some verses say we are not saved by works, but other passages say works are essential?
- 11) What is the gift of God's grace? (v24)
- 12) How is God appeased for our sins? (v25)
- 13) How does man receive justification from God? (v28)
- 14) How does "justification by faith" relate to the principle of law? (v31)
