

Colossians 4:2-6

1. How does the practice of prayer influence your daily life, and in what ways do you seek to deepen your connection with God through prayer, as encouraged in Ephesians 6:18? Can you share any experiences where you felt your prayers were answered or where you've seen growth in your prayer life?
2. How can we actively identify and support those in our community who need prayer, and in what ways can we cultivate a prayer life that consistently reflects gratitude and thankfulness? (Referencing 1 Timothy 2:8)
3. For what did Paul ask the Colossians to pray? Is there still a great need for the gospel to be proclaimed to the world? (Colossians 1:9 & Ephesians 6:19-20)
4. How can the gospel message be obscured? (2 Corinthians 4:3-6). What keeps people from seeing Jesus?
5. If you discovered that a habit or behavior of yours was hindering others from seeing the love of Jesus in you, how would you respond? Would you be willing to make changes, even if it meant sacrificing something you enjoy? Why or why not? How do you balance personal enjoyment with the impact of your actions on your witness to others?"

6. Who is Paul talking about when he mentions **outsiders**?

7. Do you make the most of witnessing opportunities? (Ephesians 5:15-17)

8. How do we make our conversation full of grace?

9. How can we season our conversation to interest people in hearing more about the gospel?
(2 Timothy 4:2-5)
